VICE-Chief Talk from ANDY TREDER

I am glad to take over the Lodge Chief position at camp while Kevin is gone. We have a lot of good things planned for the summer. Work weekend had a great turn out. Thank you to all that attended. As you all know the Lodge is trying to get a new pocket flap and a full service pocket patch. In order for us to get this we have to sell all of our current patches before we get the new one. We have about 400 patches that we have to sell. After that they will no longer be produced. the cost of them is \$3.50. So when you come up to the camp, buy them all, PLEASE! The design that we have is excellent and I cannot wait to get it. Hope to see you all at the summer camp.

This year we are continuing the tradition of the Mandan call out ceremony. We will need the support of all present OA members so that the new candidates will have a fulfilling and most appreciative ceremony and work day. Every camp week for cheerful service to help run smoothly. We will need fire money team, taskmasters, and money will be about the same. There will be a meeting every week for everybody that is in OA. There we will talk about what we will be doing that week. Hope to see

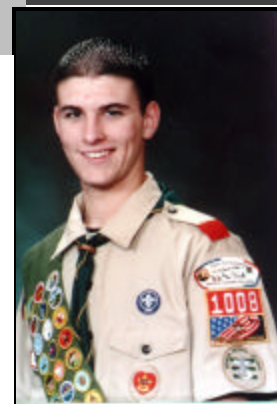

we will need volunteers to make the ceremonies builders, dancers, ceremonial mats. The ceremony that we did last year was a week for everybody that we will be seeing you all this summer.

THANKS

The LEC Lodge Officers would like to thank George Tippin for his help with the Regalia Building Day. Much work was completed for the Lodge Regalia and many participants gained knowledge in beading, etc. Thanks also goes to Cimarron River Chapter Advisor, Yoland Bailey, for helping to arrange every-

Dues

by Wendy Mickey, Lodge Advisor

The LEC voted to increase the Lodge dues from \$5 to \$7. All dues need to be sent into the council office as soon as possible. If you have sent in your dues to council and think

maybe they were accidentally misplaced please contact me as soon as possible so that I can trace them down. If you have not sent them in via the troop scoutmasters please do so.

New Regalia

I just came back from work weekend at the peaks. Johnathan King showed me the new breastplates, moccasins, trunk, and shields that will be used in ceremonies. If anyone has seen his artwork you know without even looking that it is gorgeous. An extra bonus is that part of the art work was done by his mother. She also is an experienced artist. Johnathan's parents have been supportive in all ways. They bought and donated the moccasins and trunk for the Order of the Arrow to use. Everyone join me in thanking Marc and Linda King for all of their support.

THANK YOU MARC AND LINDA

BROTHERHOOD CONVERSIONS by W.

Lodge Officers

“Ordeal members who have completed 10 months since their Ordeal are eligible to ship in Order of the Brotherhood Mem-challenge facing those Brotherhood Mem-pages 50-54 in the Plan to continue to be your brothers cheer-

“Success is a Journey,

Not a Destination”

“seal” their membership. Details of the who wish to become members are found on current OA Handbook. active in OA and serve fully!”

Another benefit to being Brotherhood is that you do not have to listen to me bothering you to finish your OA membership. You are a *member in training* when you are Ordeal. It is not that hard to complete the conversion. Trust me, all of the ones that I have encouraged soon decide not to kill me and forgave me after they were finished.
