

4-Point Challenge

Name _____ Pack/Troop/Crew _____

Earn a cool patch and stay active by taking part in this challenge. Scouting doesn't end when you leave your weekly night meetings. Take the adventure indoors! Keep your mind and Scout spirit active, by Scouting At Home! Take pictures and videos for extra credit! Email them to us at santafetrail@scouting.org, you may just win a cool prize!

A Scout is Kind

Write at least one letter addressed to a nursing home. Let them know about the fun things you do in scouts, and how you are staying safe. Ask the recipient about the things they do for fun and their life growing up. Do they have any experiences similar to COVID-19?

Write a summary of what you learned in the box below

Parent Signature for Approval of Completion _____

A Scout is Clean

Health officials suggest washing your hands for at least 20 seconds. Create a song, poem, or pledge to say during the 20 seconds of handwashing.

Learn more at: <https://www.cdc.gov/handwashing/when-how-handwashing.html>

Write it in the box below

Parent Signature for Approval of Completion _____

A Scout is Obedient

Government and Health officials have asked families to stay inside for the time being. Find a fun activity you and your family can do inside to pass the time. This can include crafts, sports, or scout advancements.

Learn more at: <https://www.sftcbsa.org/virtual-scouting/>

Write about the activity you did in the box below

Parent Signature for Approval of Completion _____

A Scout is Courteous

To stay safe and stop the spread, it is recommended to wear a face covering while in public. Make your very own facemask at home. This can be made out of a variety of household materials. Visit CDC.gov to learn how you can protect others. Learn more at: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>

Draw your Facemask you made in the box below
