

What is NYLT?

The NYLT course is a fun and inspiring program designed to provide youth members of the Rocky Mountain Council and surrounding areas with leadership skills and experience. They will be able to use these skills in their home units, and elsewhere, as they become leaders. Participants will be engaged in an outdoor leadership training experience led by Boy Scout and Venturing peers.

NYLT centers around the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO.

The key elements are taught with a clear focus on HOW TO. When their patrol goes on a quest for the Meaning of Leadership these concepts become actions!

The course goal is to prepare young men and women to become superior leaders. The skills they gain can be used in their home troop or crew as well as in school, college and beyond.
