## Annual Grade and Program Rollover Scheduled for June 14

The Annual Grade and Program Rollover to update member records will occur on Wednesday, June 14. This process will begin at 7 PM, CDT. Councils will receive information updates via Announcements posted on the Registrar Tools Dashboard.

This process is much like prior years except that all current, active Lion and Tiger Adult Partners will be expired effective on May 31. There will be no conversion of registered Lion Adult Partners into Tiger Adult Partners. Both registered positions were discontinued in February 2023. Beginning in February, when registering Lion or Tiger youth, the Lion Partner or Tiger Partner Relationship is created, once the parent or guardian information is entered, and the registration is posted.

The process component for Grades means that all records with grades will be advanced one grade and all those with 12th grade will update to no grade (null). The process component for Programs means that Lion youth will become Tiger youth. The Tiger youth will become Cub Scout youth. And the Program for second year Cub Scouts will be updated to Webelos Scouts. These updates will have an effective date of June 1.

There are exclusions from this process:

1. No changes are made to Lion and Tiger Den Leader positions.
2. No Programs are rolled for registrations with an effective date of June 1 or greater, or for registrants in a batch on hold (either unit renewal or new unit).
